ZAIDY QA

General

OVERS
•   Adjust all overs of the buttons and Writing fields according to the design.
•   Error fields in writing fields to change to font ″inter″
•   The fonts in Hebrew are incorrect
•   It is not possible to send a message in contact forms
•   Make sure all the text in all the buttons is at 18px in the appropriate font weight. Currently the contact forms look smaller
•   In mobile, make sure that all the solutions are at the same height as the sumbit button. At the moment they are very low in height (button in the main poster, "sell with Zaidi" button)
